Non-Hispanic Non-White One Race and Income

Grand Forks 2010

Note: This maps shows the spatial distribution of non-hispanic non-white one race Americans. This is a combination of African-Americans, Asian-Americans, Native Americans, Pacific Islanders and others. The data are based on the P9 table from the Census 2010 Decennial dataset at the tract level. Income data are estimates based on the 5-year American Community Survey 2010 dataset at the tract level.
